Re - mem - ber, Lord, thy gra - cious word
This word of thine my com - fort is
The men whose hearts with pride are stuff'd

thou to thy ser - vant spake,
in mine af - flic - ti - on:
did great - ly me de - ride;

Which, for a ground of my sure hope,
 For in my straits I am re - viv'd
 Yet from thy straight com - man - de - ments

thou caus - edst me to take.
 by this thy not word turn'd a - lone.
 I have not side.
