From thy Sp'rit whith - er shall I go?
Take I the mor - ning wings, and dwell
If I do say that dark - ness shall
Yea, dark - ness hi - deth not from thee,

or from thy pres - ence fly?
in ut - most parts of sea;
me co - ver from thy sight,
but night doth shine as day:

A - scend I heav'n, lo, thou art there;
 Ev'n there, Lord, shall thy hand me lead,
 Then sure - ly shall the ver - y night
 To thee the dark - ness and the light

there, if in hell I lie.
 thy right hand hold shall me.
 a - bout both me be as light.
 are both a - like al - way.
