Thy won - drous lov - ing they - kind - ness show,  
In their own fat - they are in - clos'd;

thou that, by thy right hand,  
their mouth speaks thy loft - il - y.

Sav' st them that trust in thee and from those  
Our steps they com - pass'd; and to ground

that up - a - gainst set them stand.  
down bow - ing - set their eye.

As He th' apple of the eye me keep;  
He like un - to a lion is

in that's thy greed - wings shade of me his close prey,

From lewd op - pres - sors, com - pas - sing  
Or li - on young, which lur - king doth

me in round, as ret dead - ly ces foes.  
in sec - as ret dead - ly ces stay.
